A-LIFT FACIAL TREATMENT

Revolutionary facial treatment proven to fight the signs of ageing. A-Lift is a new age reversal treatment that uses unique nano-current technology to re-energize the skins cells. Effects of ageing can be reversed in this non-invasive, pain free treatment.

The treatment is proven to improve the skins structure resulting in a dramatic reduction in lines and wrinkles, firmer facial muscles, and healthier more youthful looking skin. Some benefits are:

- Collagen and Elastin production are increased
- Increased Lymphatic drainage (reduces toxins)
- Lines and wrinkles are reduced as skin plumps out
- Circulation is increased for a healthier appearance
- Dark circles and puffy eyes are improved
- Muscles are re-educated and toned, lifting the face and neck
- New cells mimic those before them, taking on their energized characteristics
- Boosts cell's energy levels (ATP) up to 500%

We use Elemis in all our A-Lift facials and a course of 10 treatments is recommended, ideally 1-2 per week until the course is complete.

Each treatment achieves natural, subtle improvements with results building over time. Skin looks fresher, brighter, healthier and more youthful.

To maintain treatment course results we recommend 1 treatment every 4-6 weeks.
